

Summary of Public Comments for Mineral Palace Park

Include in any Plan	Favorite Ideas	Least Favorite Ideas	Other Comments
Access for elderly	Road for accessibility -- one-way	Removing all water	Reflecting pool too formal
Connecting to the neighborhood	Keeping historic structures - rebuild or reuse	No cars - no access for handicap persons/elderly	Don't expand park if it takes private property
Lake - nature edge is preferred	Connecting to the neighborhood - trails and pedestrian bridges to Fountain	Getting rid of the historic features	Need a formal contract with CDOT to ensure this mitigation happens
Band Shell	No cars	Reflecting pool	Where is the money to do this
Play area/ Basketball court/ Horseshoe pits/ exercise course/ Frisbee golf	Greenhouse	Blocking park view from I-25	Greenhouse
Main at 13 th Street Entrance	Water features		Move the RR tracks
Flower beds and formal lawn area	Gathering place for people		Keep park as is
Greenhouse	Sound walls (favorite - along I-25) with vegetation		Minimize the destruction of vegetation
Swimming pool (50 Meter)	Leave park the same size - by adding more land		What is available for handicap people?
Preserve the historic elements			Reconsider the bypass
Lily pond			Keep the trees
			Concerns: dead end parking/ night activities
